PROTUNE

Lochard's Residential Preventative Maintenance Agreement

The best Preventative Maintenance agreement around, just got better!

We want to make sure your family's home is
safe, comfortable, and efficient..

The best way to ensure safe operation of
your comfort system, your personal comfort
and wellbeing and confirm that your
comfort system is operating at its peak
energy efficiency is through planned
maintenance actions.

You rely on your comfort system.

Allow us to make sure every part of your comfort
system is working properly and guard against
annoying break downs.

PROTUNE provides benefits unmatched by any other
HVAC contractor .

Call now to join the PROTUNE family

\$249

For a year agreement

Benefits of being a PROTUNE member:

1 Automatic reminders for 2 visits per year.

One visit for your heating system and accessories another for cooling system.

2 Priority scheduling status

A Lochard technician would be dispatched to your home before non PROTUNE customers.

3 No diagnosis fee

As a member, our \$69 diagnosis fee is waived.

4 No overtime charges

In case you need emergency help; no heat on a freezing cold night, safety or health issues arise, you would not be charged after hour rates.

5 Replacement system purchase accrual

Starting in 2017, for each continuous year that you are a PROTUNE customer you accrue \$100 to be used when it's time to replace your existing comfort system.

6 Our technicians use a comprehensive task list that *exceeds* guidelines set forth by an American National Standards Institute (ANSI).

When the service is completed our technician will provide you with a copy of their task list and share repair options with you if any abnormalities are found.
